

Decisions of the International Conference of Legal Metrology

12th International Conference of Legal Metrology 2004.10.26-29

6.2 Mutual Acceptance Arrangement (MAA)

The Conference expressed its appreciation to the CIML for the setting up of the Mutual Acceptance Arrangement, and took note that this System will be implemented in 2005.

The Conference took note of proposals concerning the operation of the MAA and of the Certificate System.

The Conference instructed the Committee to take appropriate decisions on these proposals and to begin a revision of this document once experience has been gained following its implementation.
