OIML Member State
The Netherlands

Project number SO12200277
Page 2 of 2

This Certificate attests the conformity of the above identified type (represented by the samples identified in the associated Test Report) with the requirements of the following Recommendation of the International Organization of Legal Metrology (OIML):

R31
Edition 1995 (E)

This Certificate relates only to the metrological and technical characteristics of the type of instrument covered by the relevant OIML Recommendation identified above.

This Certificate does not bestow any form of legal international approval.

The conformity was established by tests described in the associated Test Report: N° R31/1995-NL1-98.01 Revision 1, that includes 19 pages.
