

# Associate Application Form

- 1. Country/economy:
- 2. Associate (organization) name:

### 3. Type of application

#### New Associate

Modification/extension to scope of an existing Associate, e.g. addition of a new instrument category, addition of another edition of an OIML Recommendation, change of Scheme.

#### 4. Associate details

*Note :* Complete this section for a new application or if the existing contact details of the Associate have changed.

| Address | Contact Details |  |
|---------|-----------------|--|
|         | Name:           |  |
|         | Tel:            |  |
|         | E-mail:         |  |

#### 5. Scope

In the table on the following page please detail the categories of measuring instruments, the applicable OIML Recommendations and the Scheme(s) for which you will accept and utilise OIML certificates and/or OIML type evaluation/test reports.

*Note:* For a modification/extension to scope it is only necessary to detail the change(s) from the existing scope.

| Measuring Instrument Category                                | OIML<br>Recommendation | Scheme<br>A / B | OIML MAA |
|--|------------------------|-----------------|----------|
| Taximeters   | R 21:2007              |                 |          |
| Material Measures of Length                                  | R 35:2007              |                 |          |
| Active electrical energy meters                              | R 46:2012              |                 |          |
|  | R 49:2006              |                 |          |
| Water meters   | R 49:2013              |                 |          |
|  | R 49:2024              |                 |          |
| Continuous totalizers  | R 50:2014              |                 |          |
| Automatic catchweighers                                      | R 51:2006              |                 |          |
| Sound Level Meters   | R 58:1998              |                 |          |
| Moisture meters for cereal grains and oilseeds               | R 59:2016              |                 |          |
|  | R 60:2000              |                 |          |
| Load cells   | R 60:2017              |                 |          |
|  | R 60:2021              |                 |          |
|  | R 61:2004              |                 |          |
| Automatic Gravimetric Filling Instruments                    | R 61:2017              |                 |          |
| Heat Meters  | R 75:2002              |                 |          |
|  | R 76:1992              |                 |          |
| Non-automatic Weighing Instruments                           | R 76:2006              |                 |          |
| Road and rail tankers with level gauging                     | R 80:2017              |                 |          |
| Cryogenic Liquids  | R 81:1998              |                 |          |
| Level Gauges for Stationary Storage Tanks                    | R 85:2008              |                 |          |
|  | R 88:1998              |                 |          |
| Integrating-averaging Sound Level Meters                     |                        |                 |          |
| Focimeters   | R 93:1999              |                 |          |
| Vehicle exhaust emissions                                    | R 99:2008              |                 |          |
| Sound Calibrators  | R 102:1992             |                 |          |
| Pure-tone Audiometers  | R 104:1993             |                 |          |
| Automatic Rail-weighbridges                                  | R 106:2011             |                 |          |
| Discontinuous Totalisers                                     | R 107:2007             |                 |          |
| Pressure Balances  | R 110:1994             |                 |          |
| Weights  | R 111:2004             |                 |          |
|  | R 117:1995             |                 |          |
| Liquids other than Water                                     | R 117:2007             |                 |          |
|  | R 117:2019             |                 |          |
| Speech Audiometry  | R 122:1996             |                 |          |
| Evidential breath analysers                                  | R 126:1998             |                 |          |
|  | R 126:2021             |                 |          |
| Ergometers for foot crank work                               | R 128:2000             |                 |          |
| Multi-dimensional measuring instruments                      | R 129:2000             |                 |          |
|  | R 129:2020             |                 |          |
| Liquid-in-glass thermometers                                 | R 133:2002             |                 |          |
| Weighing road vehicles in motion                             | R 134:2006             |                 |          |
| Areas of Leather   | R 136:2004             |                 |          |
| Gas meters   | R 137:2012             |                 |          |
|  | R 139:2014             |                 |          |
| Compressed Gaseous Fuel systems for Vehicles                 | R 139:2018             |                 |          |
| Continuous measurement of SO2 in stationary source emissions | R 143:2009             |                 |          |

| Measuring Instrument Category   | OIML<br>Recommendation | Scheme<br>A / B | OIML MAA |
|---|------------------------|-----------------|----------|
| Continuous measurement of CO, NOx in stationary source emissions              | R 144:2013             |                 |          |
| Ophthalmic instruments - Impression and applanation tonometers                | R 145:2015             |                 |          |
| Protein measuring instruments for cereal grains and oilseeds                  | R 146:2016             |                 |          |
| Non-invasive non-automated sphygmomanometers                                  | R 148:2020             |                 |          |
| Non-invasive automated sphygmomanometers                                      | R 149:2020             |                 |          |
| Continuous totalizing automatic weighing instruments of the arched chute type | R 150:2020             |                 |          |

*Note:* Any conditions for the acceptance of OIML MAA certificates and/or type evaluation reports shall be specified here:

#### 6. Additional National Requirements

Do you have any Additional National Requirements?

Yes No

*Note:* Additional National Requirements are requirements that are different from, or in addition to, those specified in the OIML Recommendation for a particular category of measuring instrument.

If yes, please provide details in the table below.

| Measuring Instrument<br>Category | Name of Additional National<br>Requirement | Requirements and applicable test<br>procedure reference document* |
|----------------------------------|--|---|
|                                  |  |   |
|                                  |  |   |
|                                  |  |   |
|                                  |  |   |
|                                  |  |   |
|                                  |  |   |
|                                  |  |   |

\* a copy of each requirement and applicable test procedure reference document shall be submitted with this application form.

## 7. Associate Statement

I hereby confirm that the information provided above is true, complete and accurate, and that my organization will accept and utilize OIML certificates and/or OIML type evaluation reports for the categories of measuring instruments detailed in Section 5, according to the provisions of OIML B 18.

Name of Responsible person:

Position in organization:

#### 8. Corresponding Member Representative Endorsement

I endorse the application of the organization named in section 2 to be an Associate under the OIML-CS.
