

## OIML CERTIFICATION SYSTEM (OIML-CS)

### Associate Application Form

1. **Country/economy:**

2. **Associate (organization) name:**

3. **Type of application**

New Associate

Modification/extension to scope of an existing Associate, e.g. addition of a new instrument category, addition of another edition of an OIML Recommendation, change of Scheme.

4. **Associate details**

*Note :* Complete this section for a new application or if the existing contact details of the Associate have changed.

| Address | Contact Details |  |
|---------|-----------------|--|
|         | Name:           |  |
|         | Tel:            |  |
|         | E-mail:         |  |

5. **Scope**

In the table on the following page please detail the categories of measuring instruments, the applicable OIML Recommendations and the Scheme(s) for which you will accept and utilise OIML certificates and/or OIML type evaluation/test reports.

*Note:* For a modification/extension to scope it is only necessary to detail the change(s) from the existing scope.

| Measuring Instrument Category                  | OIML Recommendation | Scheme A / B | OIML MAA |
|------------------------------------------------|---------------------|--------------|----------|
| Taximeters                                     | R 21:2007           |              |          |
| Material Measures of Length                    | R 35:2007           |              |          |
| Active electrical energy meters                | R 46:2012           |              |          |
| Water meters                                   | R 49:2006           |              |          |
|                                                | R 49:2013           |              |          |
|                                                | R 49:2024           |              |          |
| Continuous totalizers                          | R 50:2014           |              |          |
| Automatic catchweighers                        | R 51:2006           |              |          |
| Sound Level Meters                             | R 58:1998           |              |          |
| Moisture meters for cereal grains and oilseeds | R 59:2016           |              |          |
| Load cells                                     | R 60:2000           |              |          |
|                                                | R 60:2017           |              |          |
|                                                | R 60:2021           |              |          |
| Automatic Gravimetric Filling Instruments      | R 61:2004           |              |          |
|                                                | R 61:2017           |              |          |
| Heat Meters                                    | R 75:2002           |              |          |
| Non-automatic Weighing Instruments             | R 76:1992           |              |          |
|                                                | R 76:2006           |              |          |
| Road and rail tankers with level gauging       | R 80:2017           |              |          |
| Cryogenic Liquids                              | R 81:1998           |              |          |
| Level Gauges for Stationary Storage Tanks      | R 85:2008           |              |          |
| Integrating-averaging Sound Level Meters       | R 88:1998           |              |          |
| Traffic speed meters                           | R 91:2025           |              |          |
| Focimeters                                     | R 93:1999           |              |          |
| Vehicle exhaust emissions                      | R 99:2008           |              |          |
| Sound Calibrators                              | R 102:1992          |              |          |
| Pure-tone Audiometers                          | R 104:1993          |              |          |
| Automatic Rail-weighbridges                    | R 106:2011          |              |          |
| Discontinuous Totalisers                       | R 107:2007          |              |          |
| Pressure Balances                              | R 110:1994          |              |          |
| Weights                                        | R 111:2004          |              |          |
| Liquids other than Water                       | R 117:1995          |              |          |
|                                                | R 117:2007          |              |          |
|                                                | R 117:2019          |              |          |
| Speech Audiometry                              | R 122:1996          |              |          |
| Evidential breath analysers                    | R 126:1998          |              |          |
|                                                | R 126:2021          |              |          |
| Ergometers for foot crank work                 | R 128:2000          |              |          |
| Multi-dimensional measuring instruments        | R 129:2000          |              |          |
|                                                | R 129:2020          |              |          |
| Liquid-in-glass thermometers                   | R 133:2002          |              |          |
| Weighing road vehicles in motion               | R 134:2006          |              |          |
| Areas of Leather                               | R 136:2004          |              |          |
| Gas meters                                     | R 137:2012          |              |          |
| Compressed Gaseous Fuel systems for Vehicles   | R 139:2014          |              |          |
|                                                | R 139:2018          |              |          |

| Measuring Instrument Category                                                 | OIML Recommendation | Scheme A / B | OIML MAA |
|-------------------------------------------------------------------------------|---------------------|--------------|----------|
| Continuous measurement of SO <sub>2</sub> in stationary source emissions      | R 143:2009          |              |          |
| Continuous measurement of CO, NO <sub>x</sub> in stationary source emissions  | R 144:2013          |              |          |
| Ophthalmic instruments - Impression and applanation tonometers                | R 145:2015          |              |          |
| Protein measuring instruments for cereal grains and oilseeds                  | R 146:2016          |              |          |
| Non-invasive non-automated sphygmomanometers                                  | R 148:2020          |              |          |
| Non-invasive automated sphygmomanometers                                      | R 149:2020          |              |          |
| Continuous totalizing automatic weighing instruments of the arched chute type | R 150:2020          |              |          |

**Note:** Any conditions for the acceptance of OIML MAA certificates and/or type evaluation reports shall be specified here:

## 6. Additional National Requirements

Do you have any Additional National Requirements?

Yes

No

**Note:** Additional National Requirements are requirements that are different from, or in addition to, those specified in the OIML Recommendation for a particular category of measuring instrument.

If yes, please provide details in the table below.

| Measuring Instrument Category | Name of Additional National Requirement | Requirements and applicable test procedure reference document* |
|-------------------------------|-----------------------------------------|----------------------------------------------------------------|
|                               |                                         |                                                                |
|                               |                                         |                                                                |
|                               |                                         |                                                                |
|                               |                                         |                                                                |

\* a copy of each requirement and applicable test procedure reference document shall be submitted with this application form.

## 7. Associate Statement

I hereby confirm that the information provided above is true, complete and accurate, and that my organization will accept and utilize OIML certificates and/or OIML type evaluation reports for the categories of measuring instruments detailed in Section 5, according to the provisions of OIML B 18.

Name of Responsible person:

Date:

Position in organization:

Signature:

## 8. Corresponding Member Representative Endorsement

I endorse the application of the organization named in section 2 to be an Associate under the OIML-CS.
