

Organisation Internationale de Métrologie Légale
International Organization of Legal Metrology

Digital Archivist

Internship opportunity

1 Opportunity

The OIML wishes to develop its digital archives through:

- Digitization of its paper archives
- Appropriate treatment of the scanned files, including OCR and completion of the document properties
- Extraction of structured data

When: as soon as possible

Expected duration: 10 days

Where: on-site at the BIML (Paris 75009)

Remuneration : €480 /week

2 Requirements

- General computer literacy
- An eye for detail
- Written and oral English and French

Experience with similar projects and familiarity with Adobe Acrobat would be an advantage.

3 How to apply

Applications should include:

- A CV (maximum 2 pages)
- A short statement (maximum 300 words) answering
 - Why you are interested in this assignment
 - What relevant skills or experience you would bring

Applications should be sent to opportunity@oiml.org by 17h (UTC+2) on Wednesday 1 July 2026.

4 About the OIML

The OIML is an intergovernmental organization comprising 129 Members. The OIML develops model regulations, standards, and related documents for use by legal metrology authorities and industry.

The OIML is an “international standard-setting body” in the sense of the World Trade Organization’s Technical Barriers to Trade Agreement.

Notes:

This process may be used to fill similar future internships for similar work of a similar duration.

The OIML reserves the right not to make any appointment to this position, or to modify, suspend, or terminate this opportunity at any time.
