

## Number of Certificates per category

|   | <i><b>Total</b></i> | <i><b>MAA</b></i> |
|---|---------------------|-------------------|
| Non automatic weighing instruments                      | 1 113               | 65                |
| Load cells  | 747                 | 110               |
| Automatic catchweighing instruments                     | 175                 |                   |
| Fuel dispensers for motor vehicles (R 117 + R 118)      | 126                 |                   |
| Water meters  | 85                  | 8                 |
| Automatic gravimetric filling instruments               | 76                  |                   |
| Diaphragm gas meters                                    | 53                  |                   |
| Automatic level gauges for fixed storage tanks          | 48                  |                   |
| Multi-dimensional measuring instruments                 | 37                  |                   |
| Discontinuous totalizing automatic weighing instruments | 19                  |                   |
| Continuous totalizing automatic weighing instruments    | 12                  |                   |
| Automatic rail weighbridges                             | 12                  |                   |
| Evidential breath analysers                             | 7                   |                   |
| In motion road weighing instruments                     | 6                   |                   |
| Clinical electrical thermometers with maximum device    | 1                   |                   |
| Measurement of area of leathers                         | 1                   |                   |
| Direct mass flow measuring systems                      | 1                   |                   |
| <b>Total</b>  | <b>2519</b>         | <b>183</b>        |
| <b>Number of categories</b>                             | <b>17</b>           | <b>3</b>          |
